

Instructions for Home Use

HearBuilder Online is a software program that provides systematic instruction in basic concepts, following directions, phonological awareness, sequencing, and auditory memory. Students receive their own login and can use the program at school and at home.

We would like your child to continue using *HearBuilder Online* at home for ____ days a week for ____ minutes per day. Here's how!

1. Log In

- Go to student.hearbuilder.com
- Enter your user name, password, and login code.

User Name: _____
Password: _____
Login Code: _____

(Login information is NOT case sensitive.)

- Click **Login**.

2. Play

- Click **Play** under _____.
- The program will automatically start where your child ended his/her last session.

Troubleshooting

- Make sure your device is connected to the internet.
- *HearBuilder Online* is compatible with any operating system as long as it has a WebGL (HTML5) compatible browser. We recommend Google Chrome™.

If you're still having trouble, contact **HearBuilder Online Support** at support@hearbuilder.com or call **1-855-735-0862**, available Monday-Friday, 8:30 a.m. - 5:00 p.m. EST.
